

Parish council report 2023 – Indy Wijenayaka

Muck Off Acorn

The Muck Off Acorn campaign group launched in October 2022 to challenge the proposal put forward by the Thurlow Estate and Acorn Bioenergy. The group has developed a fact base to raise sufficient objections should the proposals be submitted as initially proposed. Regular community meetings have been held.

Environmental contract

The environmental contract has been renewed for 3 years, with a trial for the “no mow May” in taking place in certain areas of the parish.

District Councillor report May 2023

A new district councillor has been elected following the May 4th election. It's me!

Little Thurlow have been looking to put up some interpretation boards around their parish, this could be a good idea for other parishes.

Little Thurlow are looking to designate their pub as a Community Asset, if anyone in Withersfield Parish would be willing to help guide them through the process let me know.

Thanks

Indy Wijenayaka
