

Village Hall Report 2017-18

This has been a year of many parts; planning our storeroom extension, then losing a very good secretary, putting forward plans, getting them accepted, getting more hirers for the hall, all looked after by our very capable warden, Jenny Rajack.

We all put in a lot of effort looking at as many possibilities as possible to create extra storage for the Village Hall at the front end of the year.

We found a suitable architect, with a history of working on listed buildings, drew up plans; eventually all was sorted and planning permission was granted, with permission to cut down the larch tree, which is clearly too close to the building.

Sheila Tibbenham left the village and so is now no longer our secretary and is sorely missed and we are looking for a replacement.

We have kept all our regular bookings and we have 2 new Yoga classes that started this year which seem to be holding their own.

We are very lucky to have a very capable Village Hall Warden, Jenny, who has coped very well with all the bookings, hirers, etc, with very little assistance which helps the committee a lot.

We look forward to the next year, moving the Village Hall forward, maintaining and improving our Village facility.
