Dear Ms Johnson

Further to your generous donation in 2015, I should now like to take this opportunity to bring your Council up to date on the work of SARS and, to this end, I am attaching the latest report for the perusal of yourself and your Councillors.

As the accompanying report will illustrate, our charity continues to attend medical emergencies on a voluntary basis all around Suffolk and its boundaries. We rely entirely on voluntary donations to support our work, and we would like to make an appeal to the Council for a donation to help with our running costs over the next 12 months.

Our latest independently verified accounts have now been posted on the Charity Commission website where they can be downloaded, but we can send a hard copy on request.

You can also visit our website [www.sars999.org.uk](http://www.sars999.org.uk) to gain a greater insight into Suffolk Accident Rescue Service and why we need your support; can I please ask you to note our new address, with immediate effect

We hope that the Council can continue to help us maintain our life-saving service around Suffolk.

Yours sincerely

Sue Groom
