Dear residents,

Over the past two months we have experienced terrific winds. Did you know that the 2018-2019 storm season has 21 names, which alternate between male and female. Storm Gareth is the latest to hit the UK and Ireland. Storm Gareth certainly made his presence known on Silver Street! A metal framed field shelter guaranteed to withstand the most extreme of British weather came adrift and blocked the road one Sunday afternoon! Huge apologies to those affected (no injuries thankfully) and an even bigger thank you to the villager who unblocked the road! You know who you are....***thank you again.***

Despite the storms, Spring is desperate to show in an appearance with daffodils and snowdrops brightening up the village. Our goose is now

Sitting on her large clutch of eggs, our ewes are now lambing (twins and a single boy born last weekend) and

those of you who have bees will have seen them taking flight to enjoy the blossoming spring flowers. The village has had it's annual Spring clean, village social events are beginning to be advertised here in the newsletter and a special Easter Sunday Service is planned in our church.

We hope you enjoy this edition and do remember to drop me an email with your items to share in future newsletters.

COULD YOU BE A CHURCHWARDEN THE CHURCH IS LOOKING FOR?

The village church of St. Mary the Virgin is looking for Churchwardens. The role of Churchwarden is an ancient office in the Church, has the legal responsibility of the maintenance of the church building and graveyard, responsibility for some of the Church property and order in Church services.

Churchwardens have legal responsibilities concerning the safekeeping of certain items of the Church, registers, inventories, log books, and for the maintenance of buildings and fabric.

The Churchwardens must work with the Rector and Parochial Church Council supporting the work and worship of the Christian church in the parish.

Our previous churchwardens, Carl West-Meads and Michael Slinger, retired from this role some while ago, and replacements have not been found within the Parochial Church Council.

Qualification for this office:

You should be over 21 years of age.

You must consent to be appointed.

You should be a confirmed member of the Church of England and regular worshipper.

You should be on the Church Electoral Roll for St. Mary's Withersfield.

Election takes place at the Annual Parochial Church Meeting on FRIDAY 26th APRIL 2019, 7.30pm in the Church.

If you would be interested in taking on this important role, further details of which can be requested from the Rector, Rev Canon Ian Finn,

by email ian.finn1@btinternet.com

or by phone: **01440 708768**

On behalf of the PCC

News from the Parish Council

Thanks to all who tuned out on a windy Saturday for our annual village spring clean. As usual we collected the same quantity of detritus and discarded bottles, cans and packaging tossed thoughtlessly from cars entering, passing through and leaving our village.

Thanks too to our Parish Council Clerk Jill Johnson who stands down from the post in June after around 5 years in the post. Jill has been an excellent Parish Clerk and has made the work I do as Chair and that of other Parish Councillors so much easier. We couldn't have managed without her. Please see the advert for her replacement within this edition.

There have been developments around the vacant sites at the Haverhill Research Park in recent weeks. Firstly a Planning Application was submitted to build the flag ship building for the research park – slightly repositioned onto the plot nearest to the Spirit of Enterprise roundabout. We heard that public funding was being sought that would finance the project. The Parish Council supported the application welcoming signs at last of a positive start to the research park. Then guess what – a public exhibition was announced showing plans for the

redevelopment of the rest of the plots for – yes you've got it – housing! So, what many folk have suspected all along, the promised Research Park bring high skilled jobs to town appears to have been a mirage – and the Research Park will – if Planners concede – become an expanded housing development. The impact of more homes on local schools and GP services are issues that residents are already raising as serious concerns – not to mention the loss of potential jobs. We await the next steps with interest.

This is the last Parish Newsletter before the forthcoming Parish and Borough Council elections in May. I hope that some of the reports of what your Parish Council has been seeking to do for our parish might have encouraged you to stand for election.

Thanks to all those who have been Parish Councillors over the last 4 years – to those who stood for election in May 2015 and to those who have been co-opted to fill vacancies during the intervening years. All have contributed greatly to keeping our Parish the great place that it is to live in.

Best regards, **Terry Rich** Chairman

Parish Clerk

Withersfield Parish Council is seeking a Clerk

The post is home based, 4 to 5 hours per week at £11 /hour.

The hours are extremely flexible, except for the responsibility of attending and minuting meetings of the Parish Council which take place 6 times a year at 7.30 pm.

Duties include organizing and minuting Parish Council meetings, keeping the Parish Council notice Boards up to date and dealing with correspondence between meetings.

For more information contact Terry Rich, Chairman or Jill Johnson, retiring Parish Clerk

Closing date for applications: Friday 26th April 2019

Withersfield Footpath Map

The Withersfield Footpath Map has been delivered to most of the houses in the village. If you haven't got one and would like one, we have put some maps in the church for residents and visitors to take. The map has been produced using funds raised from selling garden produce in the Bus-Stop Shops. We hope that you find it useful and enjoy using it to explore the beautiful countryside around our village.

CHURCH ALARM!

A new alarm system has been installed in St, Mary's Church Withersfield. This is to hopefully prevent any more lead being stolen from the roof!

This new system has been paid for by grants, although the PCC will be responsible for ongoing costs of servicing.

The system has flashing lights behind the louvres in the tower as well as audible alarms.

If anyone sees or hears the alarm going off, the advice is to call the police on 999!

Thank you. **Rosie Wenham For PCC**

WITHERSFIELD CHURCH PRESERVATION FUND

AGM

The Annual General Meeting of the Withersfield Church Preservation Fund committee will take place in the church on:

Friday 26th April, 2019

At 7.00 p.m.

In the church

This meeting is open to all residents, so please come along to hear about what has happened to the money YOU have given.

This is the fund that has been set up for a few years and is growing as a result of the "begging" letters that go out to the parish in the Autumn.

ANNUAL PAROCHIAL CHURCH MEETING

The Annual Parochial Church Meeting will take place on:

Friday, 26th April 2019

At 7.30 p.m.

In the Church

This meeting is open to all parishioners, and we would encourage you to attend to hear about the life of the Church here in Withersfield during 2018. It is also the meeting where the Parochial Church Council is elected for the new year (starting at the end of April), and officers are appointed.

Rosie Wenham On behalf of PCC

ULLSTEIN TRUST FUNDS

One of the accounts held by the Parochial Church Council is something called the Ullstein Trust. This Trust offers the income, from a bequest of Frederick Ullstein, to young people from the parish of Withersfield for educational purposes.

The PCC (as Trustees) are now asking if any family in the parish of Withersfield with children in primary, secondary or tertiary education would be glad of some financial help towards educational expenses.

Anyone interested should contact Felicity Slinger by email on:

felicity.slinger@tiscali.co.uk. Please send her brief details of the educational needs of the family member. Previously these funds have been used to help with the purchase of books for university and educational travel costs.

WITHERSFIELD PROGRESSIVE FEAST

Saturday 8th June

from 6.30 pm

The village Progressive Feast this year will be on **Saturday 8th June**.

We are looking for couples to take part. Why not join with a family member, a friend or a neighbour? Each couple will host one course of a three-course meal. There is a maximum of three couples per course. Once we have the feasters, we will let each couple know which course they are hosting, the names of their guests, and who will be their host for the other courses.

Sound complicated? Not really! But it is a fun way to meet other people in the village, before all joining together for coffee at the end of the meeting.

If you would like to join in, or want to know more, then please contact one of

us:

WITHERSFIELD BYGONES

This is the 2nd in a series of 7 wonderful stories full of history from our village...

2. THE TURNPIKE

Stage coaches were seen on the hill past the White Horse, (built 1764) a coaching inn for stops but not a change of horses, en route to Cambridge or Colchester. That road was turnpiked at the bottom in 1766 with a tollbar placed across the entrance to Queen Street. The turnpike was a round pole and the name was adopted for the road it controlled – a Turnpike Road. On the 1840 tithe map the poll is shown in position from the tollhouse on the corner of Town Green across to where the Old Forge is situated. The toll gate was operated for a hundred years until the late 1870s.

The two roomed toll-house was then a shop and was a sweetshop when demolished in the early 1970s.

Turnpike Gate keepers feature in our local magistrate's book of cases heard by our magistrate and Justice of the Peace, Rev R. C. Barnard. Dodges to avoid paying the toll included whipping horses to rush through the open gate before paying the fee, or ducking down inside the cart and letting the horses pull it through apparently by themselves.

The roads needed constant repairs. Extraction of gravel from local pits was an important item in the budget of the turnpike road trusts. Picking stones off fields was a task for the poor. Matthew Siggs, the Withersfield Hall farmer was fined £3 for not sending his able men and carts to keep the toll road in

good repair 1799/1800.

Stage coaches had names and were painted in colours chosen by their owners; mail coaches did not have names and were all painted maroon and black. In 1823 there was a coach, the *Comet*, that left Cambridge at 9am on Monday, Wednesday and Friday and left Ipswich returning on Tuesday, Thursday and Saturday at 9a.m. There was a Bury Coach from Cambridge. Each route had two coaches (often a third spare one) setting out at opposite destinations. The stage coach with four horses licensed to carry 6 or more inside passengers, paid a toll of 1/6d to 2/- in 1834. A private carriage drawn by four horses paid 1/- and a rider on horseback 6d.

Accidents were frequent and our first toll gate keeper lost his wife, Jane Gibson, when in 1768 she was "unfortunately killed by a horse throwing the gate upon her."
